Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On July 29, 2005, a Notice of Allowance was issued in the above-identified application. However, on November 21, 2000, Applicants filed a Revised Request for Interference Pursuant to 37 C.F.R. § 1.607 with US Patent 5,743,816. Accordingly, because the PTO has not acted on Applicants' Revised Request for Interference, it is submitted that the Notice of Allowance was issued in error. Therefore, Applicants respectfully request that the PTO allow the present Request for Continued Examination so that the PTO may consider Applicants' Request for Interference.

Respectfully submitted,

Jeffrey A. Schmidt
